VISUAL: INT. SET OF "JIMMY KIMMEL LIVE" – NIGHT

VISUAL: JIMMY KIMMEL, MISS PIGGY and KERMIT THE FROG each dab their mouth with a cloth napkin. Miss Piggy and Kermit's napkins are caked in, ummm, chocolate cake.

JIMMY: Yum. (Miss Piggy and Kermit nod) You two have been together a number of years...

KERMIT/
MISS PIGGY: We don't have commitment issues!

JIMMY: How romantic, you even say the exact same things.

KERMIT/
MISS PIGGY: No, we don't! / Jimmy, stop playing Cupid! / (they start and end their scream at the same time) Ahhhh!!! / Chooo!!!

JIMMY: I rest my –

MISS PIGGY: In case you didn't put 'two' and 'one' together, we (indicating Kermit) get married and then the question becomes –

JIMMY: 'To be or not to be?'

MISS PIGGY: No. 'When are you going to start a family –'

JIMMY: I already did. I have four wonder –

MISS PIGGY: Are you trying to push our buttons – whatever that means – Mister?

JIMMY: Have you even considered getting married?

MISS PIGGY: Have youuu, 'Mom?!'

JIMMY: I am married. My wonderful wife Molly and I tied the knot in 2013.

MISS PIGGY: That can't be true, because I never received an invitation. Did you ever receive one, Kermie darling?

KERMIT: No, did you? (she does a double take into the camera)

JIMMY: Don't blame me or Molly – if Alexa had been around back then we would have asked her to send invites to you.

MISS PIGGY: Too bad your bestie, Alexa, doesn't exist yet so she can invite us to your vow renewal ceremony – hint, hint. Oh wait, Alexa does exist. HIYA! (karate chop)

VISUAL: Defeated, Jimmy throws his towel, err, napkin at the camera lens. When the napkin falls –

VISUAL: INT. SET OF “JIMMY KIMMEL LIVE” – DAY

VISUAL: SIR PATRICK STEWART, dressed resembling a Starfleet captain, officiates. Jimmy and his wife MOLLY stand before him – Kermit is the Best Man and Miss Piggy is the Matron of Honor.

SIR PATRICK

STEWART: (to Jimmy and Molly): I now re-pronounce you still married. You may kiss.

VISUAL: As Jimmy and Molly peck a kiss.

MISS PIGGY: (to Sir Patrick Stewart) Stay right there, Buddy Boy! (softer) Kermie, I've realized that not only do I love you and can't live without you, but that if I wait for you to ask, we'll never get married. (everyone glares at Kermit, who gulps) Kermie, my love – will you marry me?

KERMIT: Why yes of course, Piggy. All you had to do was ask.

MISS PIGGY: Alexa, why didn't you give me your great advice years ago?!

ALEXA: (O.S.). Umm, because I didn't exist years ago. B-T-W, I am working on time travel.

VISUAL: FOZZIE BEAR and ZOE appear out of nowhere from behind Kermit and Miss Piggy.

FOZZIE/ZOE: Dibs on Best Man. / Dibs on Matron of Honor.

VISUAL: Miss Piggy and Kermit nod vigorously in agreement. Fozzie and Zoe stand, respectively, in place next to Kermit and Miss Piggy.

MALE VOICE: (O.S.) Just think how much more Alexa can do if she succeeds at time travel.

VISUAL: Everyone looks for the owner of the Male Voice.

JIMMY: (into mic, sighs loud in frustration) Security! (Jimmy points to the Male VOICE)
– Matt Damon.

DAMON: It's 'Damon' as in 'Damon.' If time travel existed, maybe I would have appeared on your show by now, instead of getting passed over at the last minute every night.

JIMMY: That's very interesting – to someone who cares. (Jimmy gestures to Sir Patrick Stewart to continue)

STEWART: (to Miss Piggy and Kermit) I now pronounce you –

FOZZIE: – 'U' – this wedding is brought to you by the letter 'U' as well as the letters and number: 'A,' '2,' 'Z.' (in an aside) Off the record: I find weddings *unbearable*.

STEWART – Kermit and Ms. Piggy, you may now smooch.

VISUAL: People and Muppets CHEER, as Ms. Piggy SMOOCHES a big one on Kermit. Stewart, like an orchestra conductor, gestures for silence – cheering ends instantly!

VISUAL: Matt Damon's feet 'dog paddle' while he's escorted a foot off the ground by two big and tall BOUNCERS.

DAMON: Wait, don't I have a 'standing' invite?

VISUAL: Jimmy shakes his head in disgust. Turns and admires the still smooching Miss – Ms. Piggy and Kermit.

JIMMY: (grinning, all proud) Hey, maybe I could be 'Cupid.'

MS. PIGGY/
KERMIT: (breaking their kiss) Stick to your night job. (Jimmy does a double take)

ALEXA: (O.S.) Alexa and Amazon – brought to you by the letters and number: 'A,' '2,' 'Z.'

SUPER: Alexa and Amazon – brought to you by the letters and number: "A," "2," "Z."
